

**Your name stands
for top quality:
on Wiha**

**Give the gift of efficiency,
precision and quality.**

**With promotional gifts
from Wiha.**

Wiha – our aim: your success

● **Your guarantee for quality**

Winner of the Manufacturing Excellence Awards 2014 as the best SME in Germany.

● **Reliable and binding**

German family-owned company with more than 75 years of experience.

● **Your advantage**

Customised problem solving for professionals.

● **Cutting-edge technology**

Award-winning innovations, valued by professionals throughout the world.

● **Protects your health**

Distinguished with the AGR seal of approval.

Don't you agree that when you give a gift, it should at least have a purpose? How about a promotional gift that increases efficiency, reduces costs and protects health? A premium tool by Wiha means cutting-edge technology for the highest demands concerning function, ergonomics and durability. This makes your client gifts the ultimate guarantee for a long and happy client relationship. Do a favour to your good image – with a little favour from Wiha.

**If you side with Wiha, your clients will side
with you.**

Magazine bit holder, 1/4" magnetic, order no. 32901, packaging unit 5

3809 01-01

Why have one screwdriver when you can have eight? The compact 8-in-1 screwdriver is practical and provides significant assistance when working.

Stubby magazine bit holder, 1/4" magnetic, order no. 33736, packaging unit 10

3801 01

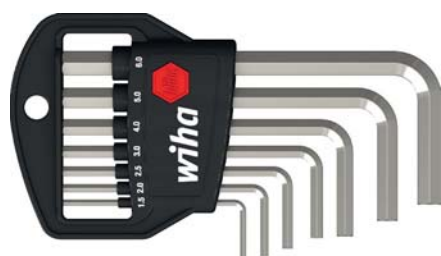

Not small, just reduced to the best bits: with 6 bits in the cap, Stubby fits in every pocket and brings serious relief when it comes to work.

Hexagonal ball end L-key set in a compact holder, order no. 01172, packaging unit 5

351 H7

A compact bunch of keys: the practical and space-saving L-key holder saves time and money, looks good – and even makes you look good, too.

Mixed hex folding holder PocketStar®, order no. 24859, packaging unit 5

351 PK6X

The right key with the press of a button: 6 screwdrivers in pocket knife design, easy to choose – saves time, money and the risk of losing your temper.

XSelector Standard, mixed, 11-pcs., order no. 26985, packaging unit 10

7944-904

It can't get any more compact: The FlipSelector hosts all standard bits in a compact, space-saving manner – for pure efficiency at work.
