Wiha Services

Please tick the service you require () and put in the seven-digit ident-number (e.g. ident-no. IF0167S):

iTorque
Complete overhaul* , battery change & factory test report
Ident-No.:
Ident-No.:
Ident-No.:
87,- €

* Definition of complete overhaul: Measurement of the ACTUAL value and adjustment back to the target value. Calibration is OK.
A new Ident-No. is assigned with the complete overhaul!

Calibration with factory test report				
Calibration*				
Ident-No.:	Ident-No.:	Ident-No.:	Ident-No.:	Ident-No.:
60,- €				

* Definition Calibration: Measurement of the actual value and display of the deviation from the target value in %. Calibration can be OK or not OK.

For the Wiha iTorque we recommend a complete overhaul instead of a calibration!

Prices net prices plus vat. plus shipping costs.

The offer is valid for services, that are billed net without deductions.
