# Wiha Services

Please tick the service you require (  ) and put in the seven-digit ident-number (e.g. ident-no. IF0167S):

<b>iTorque</b>
Complete overhaul*, battery change & factory test report
Ident-No.: .....
Ident-No.: .....
Ident-No.: .....
<b>77,14 €</b>

<p>For the Wiha iTorque we recommend a complete overhaul instead of a calibration</p>				
<b>Calibration with factory test report</b>				
<b>Calibration*</b>				
Ident-No.: .....				
Ident-No.: .....				
Ident-No.: .....				
<b>53,38 €</b>				

For the Wiha iTorque we recommend a complete overhaul instead of a calibration!

\* Definition of complete overhaul: Measurement of the ACTUAL value and adjustment back to the target value. Calibration is OK. A new Ident-No. is assigned with the complete overhaul!

\* Definition Calibration: Measurement of the actual value and display of the deviation from the target value in %. Calibration can be OK or not OK.

Prices net prices plus vat. plus shipping costs.

The offer is valid for services, that are billed net without deductions.

Our general terms and conditions apply, which you can download from our homepage [www.wiha.com](http://www.wiha.com)
